**Redeem your Homeschool
Redemption Voucher and start
your child's reading journey with
Reading Eggs**

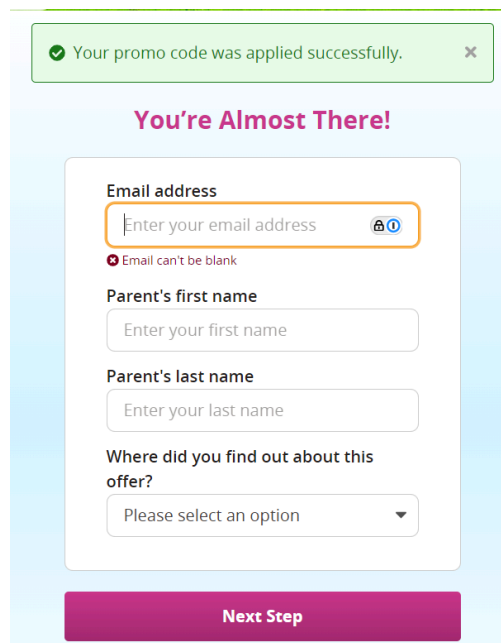

**Congratulations! You're ready to explore the wonderful
world of Reading Eggs with your child.**

Reading Eggs is the multi-award winning online reading program for children aged 2–13. Based on solid scientific research and designed by experienced educators, the program **makes learning to read easy and fun**, nurturing a lifelong love of reading in your child.

The screenshot shows a blue-themed form titled "Create your account" with a white arrow pointing to the top right. It contains three input fields: "Parent's email address", "Choose a password (min 4 chars)", and "Homeschool Redemption Voucher Code" (with a sub-label "Enter your Redemption Voucher Code"). Below the fields is a cartoon character of a boy wearing a yellow hard hat. At the bottom is a red button labeled "Create parent account" and a link that says "Full privacy" with a lock icon.

Step 3: It will take you to this screen where you complete the fields

The screenshot shows a registration screen with a green success message at the top: "Your promo code was applied successfully." Below this is a purple heading "You're Almost There!". The form contains four fields: "Email address" (with a placeholder "Enter your email address" and a lock icon, and a red error message "Email can't be blank"), "Parent's first name" (with a placeholder "Enter your first name"), "Parent's last name" (with a placeholder "Enter your last name"), and "Where did you find out about this offer?" (a dropdown menu with the option "Please select an option"). At the bottom is a purple button labeled "Next Step".

Step 4: It will take you to this screen to complete the fields (other children can be added once in the family dashboard)
