

a boat	good	saw
a butterfly	grew and grew	she
a cloud	had	she
a dinosaur	he	slowly
a dragon	he	sometimes
a flower	heard	swam
a river	home	that
a song	how	the bird
a spider	I	the boy
a tree	I	the candy
a whale	in	the castle
about	in the air	the cave
after	in the attic	the elephant
afterward	in the bed	the end
all day	in the castle	the fish
all the time	in the garden	the flying carpet
always	in the lake	the forest
and	in the tree	the giant
and	in the yard	the girl
and then	into	the horse
are	into a frog	the king
around the world	knew where to hide	the lion
at	late that night	the magic spell
at home	learned	the ocean
at the party	like	the queen
ate	likes	the squirrel
bad	lived	the tower
because	lived happily	the water
but	loudly	the witch
but	magic	the wizard
carefully	me	there once was
cast the spell	never	this
changed	of	through
chased	on	through the house
climbed	on the ground	to
completely	on the house	told a story
danced	on top	turned
disappeared	on top of the hill	under the bridge
down the river	or	up the hill
ever	outside	very fast
explored	played	wanted
flew	quickly	was
flew in the air	quietly	was confused
for	ran	was invisible
for everyone	ran so fast	was lost
friends	rode	was sleeping

was so tiny
was suddenly
was the winner
was very big
was very smart
we
whatever
when
whenever
while
with
yesterday
you
