

This flashcard set is organized as follows:

- 1-10 Addition Families
- 1-10 Subtraction Families
- 11-18 Addition & Subtraction Families (taught as triplets)

Students using the Memoria Press *Classical Core Curriculum* will need these cards:

Kindergarten:

- 1-7 Addition Families
- 1-6 Subtraction Families

First Grade:

- 8-10 Addition Families
- 7-10 Subtraction Families

Second Grade:

- 11-18 Addition & Subtraction Families (taught as triplets)

Students in first and second grades should continually review all flashcards taught previously to retain fluency and instant recall.
