
God's Armor: Suited for Life

Dear Parents,

Thank you for choosing *God's Armor: Suited for Life* for your child. *God's Armor: Suited for Life* is a Bible study book written for elementary age children. Six to eight year olds will require help from a parent to read instructions, to find and read Bible passages, to look up words in the dictionary, and to write more lengthy answers. Boys and girls, ages nine to twelve, will most likely be able to complete the study with minimal help.

God's Armor: Suited for Life is divided into 6 sections each covering a piece of armor found in Ephesians 6:13-17. Each section is designed to take approximately 2 weeks to complete. Depending upon the age and skill level of the child, he or she should be able to finish at least one page per day.

Each section of the study examines a piece of armor and an example of a person in the Bible who used the armor. There will be opportunities for your child to reflect on his or her own behavior and how the pieces of armor can be used in daily living. Some of the assignments will require your help as a parent, and others will allow your child the opportunity to complete it individually.

May you enjoy interacting, answering questions, and learning with your child as you encourage him or her to daily wear the pieces of God's Armor. May God bless your study.
