

Color in a square for each activity completed.

# Why Kindergarten Skills?

The engaging activities in this book provide practice of Kindergarten language arts and math skills and concepts. Continued practice helps develop strong understandings necessary for early academic success.

## SKILLS

- Letter recognition
- Uppercase and lowercase letters
- Letter-sound relationships
- Numbers 1 to 30
- Counting by 10s to 100
- Shapes and Patterns
- Short vowel words
- Long vowel words
- Color words
- Sequencing
- Graphing
- Concepts of time
- Beginning, Middle, End
- Sentence structure
- Vocabulary development

## HOW YOU CAN HELP SUPPORT LEARNING

- Work with your child in a quiet, calm setting.
- Read the directions to your child.
- Complete some activities together.
- Limit each session to just a few activities to avoid overwhelming your child.
- Provide helpful hints and encouragement rather than solutions.

Follow the letters of the alphabet from **a** to **z** to help the bee find the flowers.

Write the letter that comes **next**.
