

Table of Contents

Unit 1: Foundations

Chapter 1: Introduction to Science

Preparation: Chapter 1	6
1.1 Science and Scientists	8
1.2 Scientific Investigations	10
1.3 Science Tools	12
1.4 Recording Data	14
1.5 Engineering and Technology	16
1.6 Investigate: Engineering Design Process	18
1.7 Chapter 1 Review	20

Unit 2: Life Science

Chapter 2: Plants

Preparation: Chapter 2	30
2.1 Plant Parts and Basic Needs	32
2.2 Uses of Plants	34
2.3 Pollination	36
2.4 Seeds	38
2.5 Life Cycle and Variety of Plants	40
2.6 Investigate: Plant Needs	42
2.7 Chapter 2 Review	44

Chapter 3: Vertebrates

Preparation: Chapter 3	48
3.1 God's Design of Vertebrates	50
3.2 Mammals, Reptiles, and Amphibians	52
3.3 Mammals	54
3.4 Reptiles	56
3.5 Amphibians	58
3.6 Investigate: Vertebrates	60
3.7 Chapter 3 Review	62

Chapter 4: Invertebrates

Preparation: Chapter 4	66
4.1 God's Design of Invertebrates	68
4.2 Ants	70
4.3 Spiders	72
4.4 Snails	74
4.5 Jellyfish	76
4.6 Investigate: Earthworm Response	78
4.7 Chapter 4 Review	80

Chapter 5: Habitats

Preparation: Chapter 5	84
5.1 God's Design of Habitats	86
5.2 Evergreen and Tropical Rain Forests	88
5.3 Freshwater and Wetland Regions	90
5.4 Deserts	92
5.5 Polar Regions	94
5.6 Investigate: Finding the Best Habitat	96
5.7 Chapter 5 Review	98
Unit 2 Connect	100
Unit 2 Design	101

Unit 3: Physical Science

Chapter 6: Matter

Preparation: Chapter 6	112
6.1 Properties of Matter I	114
6.2 Properties of Matter II	116
6.3 Solids	118
6.4 Liquids	120
6.5 Gases	122
6.6 Investigate: Classify Matter	124
6.7 Chapter 6 Review	126

Chapter 7: Changing Matter

Preparation: Chapter 7	130
7.1 Physical Changes	132
7.2 Mixtures	134
7.3 Changing Matter	136
7.4 Heating Matter	138
7.5 Cooling Matter	140
7.6 Investigate: Ice Cream in a Bag	142
7.7 Chapter 7 Review	144

Chapter 8: Engineering Design

Preparation: Chapter 8	148
8.1 State the Problem	150
8.2 Explore Ideas and Design	152
8.3 Build and Test	154
8.4 Analyze and Redesign	156
8.5 Share Results	158
8.6 Investigate: A New Design	160
8.7 Chapter 8 Review	162
Unit 3 Connect	164

Unit 4: Earth Science

Chapter 9: Earth's Surface

Preparation: Chapter 9	172
9.1 Landforms	174
9.2 Global Landforms	176
9.3 Bodies of Water	178
9.4 Global Bodies of Water	180
9.5 Ocean Depths	182
9.6 Investigate: Rain Down a Mountain	184
9.7 Chapter 9 Review	186

Chapter 10: Changes in Earth's Surface

Preparation: Chapter 10	190
10.1 Gradual Changes	192
10.2 Sudden Changes	194
10.3 Volcanoes	196
10.4 Earthquakes	198
10.5 Tsunamis	200
10.6 Investigate: Sandcastle Erosion	202
10.7 Chapter 10 Review	204
Unit 4 Connect	206
Unit 4 Design	207

Unit 5: Human Body

Chapter 11: Sound and Hearing

Preparation: Chapter 11	218
11.1 Senses and Sound Energy	220
11.2 Sound and Pitch	222
11.3 The Ear	224
11.4 The Sense of Hearing	226
11.5 Healthy Ears	228
11.6 Investigate: Sound and Distance.....	230
11.7 Chapter 11 Review	232

Chapter 12: Sight and Touch

Preparation: Chapter 12	236
12.1 The Eye	238
12.2 The Sense of Sight	240
12.3 The Skin	242
12.4 The Sense of Touch.....	244
12.5 Healthy Eyes and Skin	246
12.6 Investigate: Seeing Clearly.....	248
12.7 Chapter 12 Review	250

Chapter 13: Smell and Taste

Preparation: Chapter 13	254
13.1 The Nose	256
13.2 The Sense of Smell.....	258
13.3 The Tongue	260
13.4 The Sense of Taste	262
13.5 Staying Healthy	264
13.6 Investigate: Smell Helps Taste.....	266
13.7 Chapter 13 Review	268
Unit 5 Connect.....	270
Unit 5 Design.....	271

Glossary.....	275
Index.....	279
