

WHERE AM I BUILDING MY LIFE?

Up Sandy Hill, Down Rocky Canyon

MAKE A NOTE OF IT SHIFTING SAND

Think about what sand feels like in your hands and beneath your feet. Now draw a picture of the experience of walking on a beach or in a sandbox. Why wouldn't you want to build your house on top of sand? What kinds of "storms" might come into your life? What will happen if you do not build your life on the Rock that is God and His Word?

WORDS TO KNOW

Jesus told a _____ about two men. One built his house on the sand.

The other man built the _____ of his house on the rock.

When the rains and floods came and the winds beat against the shore, the house that was built on sand fell down with a mighty crash. But the house that was built on rock stood strong.

When I build my life on God's Word, it's like building my house on the _____
_____. When I know, love, and obey God, I show
_____.
