# GOD'S BEAUTIFUL WORLD

The Bible says (Genesis 1:1),  
“In the beginning, God created  
the heaven and the earth.”

God filled the world  
with plants and animals.  
Each one has a special place to live.

Everything God made was good.  
Everything was beautiful.  
God made it all for you.  
He made it because He loves you.

## Objectives

**Read these objectives.** They will tell what you will be able to do when you have finished this LIFEPAK®.

1. I can tell about different kinds of land.
2. I can tell about different bodies of water.
3. I can tell about different weather.

# 1. THE LAND

The place you live is special.  
God made it just that way.  
He made the plants and animals  
that you see every day.

Do you live in a desert?  
Or very near the sea?  
Are the grasslands home to you?  
Or a mountain community?

Men have built the cities  
and farms upon the land.  
The place you live is special.  
It's just what God has planned.

**Circle the kind of place where you live.**

woodland

desert

seashore

grassland

mountains

**Draw your special place to live.**

**Finish the sentence.**

**Write the sentence in your writing tablet.**

I live in the \_\_\_\_\_.

# Woodlands

"I'm Dorrie Deer.  
My home is cool and dark.  
I live in the woods.  
The trees are tall.  
My baby can hide in the bushes.  
Can you find him?"

"We are safe in the woods.  
Baby deer can hide.  
I can run fast."

Woodlands are good for people.  
People use the trees.

Put an X on each way a tree is useful.

## Deserts

"Hi, boys and girls.  
I'm Reddy Roadrunner.  
God made me to live in the desert.  
The desert is hot.  
It is very dry."

"I have long legs.  
They help me run fast.  
I can catch lizards.  
Sometimes I catch snakes."

God made a special kind of plant for the desert.  
It is called a cactus.

A cactus can store water.  
It does not need much rain.  
A cactus can be very tall.  
Some cacti are small.

**Match the word to the picture.**

cactus (cacti) ►

roadrunner ►

lizard ►

## Grasslands

"I am Petey Prairie Dog.  
I live in the grasslands.  
I can sit in my town and see a long way."

Grasslands are very flat or rolling.  
Farmers grow corn and wheat.  
Some farmers have pigs.  
Other farmers raise cattle.

# Mountains

"I'm Max Mountain Goat.  
I live high on a mountain.  
It is a tall mountain.  
It is cold where I live.  
God gave me a warm coat.  
My mountain is made of rock.  
I like to jump and run.  
I jump from rock to rock."
