Learn with our friends!

When you see me, I will help your teacher explain the exciting things you are expected to do.

When you do actions with me, you will learn how to write, draw, match words, read, and much more.

You and I will learn about matching words, listening, drawing, and other fun things in your lessons.

Follow me and I will show you new, exciting truths that will help you learn and understand what you study. Let's learn!

NUMBER ORDER, ADD/SUBTRACT

Objectives

Read these objectives. They will tell what you will be able to do when you have finished this workbook.

1. I can count and read numbers to 99.
2. I can put numbers in number order to 99.
3. I can add and subtract to 9.
4. I can recognize big and little, long and short, greater than, less than.
5. I can measure to the inch.
6. I can recognize circles, triangles, squares, and rectangles.

My name is

1. COUNT TO 99

Count numbers to 9.
