

Sue's Cruise

In the spring Sue goes on a boat
cruise. She likes to sit on the
boat and drink her or•ange juice.

One day she meets a girl in a
yel•low swim•suit.

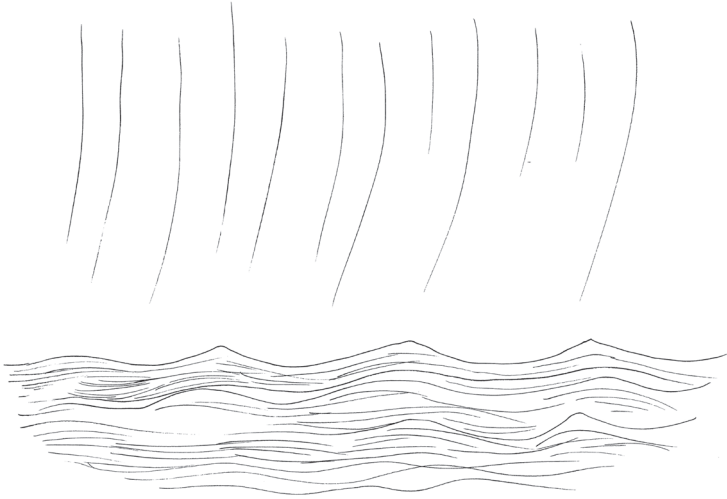

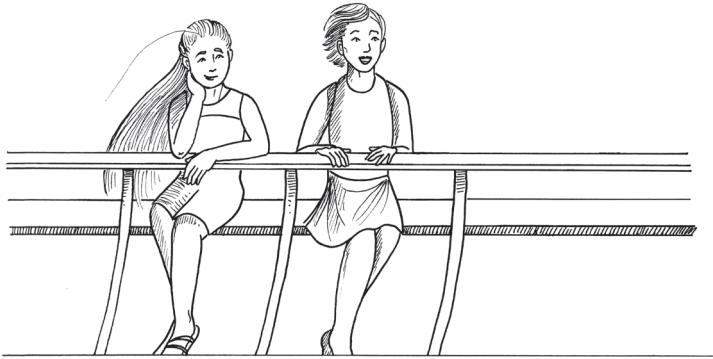

“My name is Ruth,” says the girl.
“I like the hue of your suit,”
says Sue.

"What do you do?" asks Ruth.

"I have a job," says Sue. "I prune ro•ses."

"That must be a fun job," says Ruth.

The girls be•come quick friends. Ruth and Sue sit all day on the cruise boat as it floats on the blue-green water.
