

— Chapter I —

GOD MADE EVERYTHING

The Lord God spoke and created everything
in heaven and on earth. He did all of this in six days.

This is why God alone is the great **Creator**. All **glory** belongs to God
for the great things He has made.

In the beginning
God created the heavens
and the earth.

GENESIS 1:1

Days of Creation

Learn the song below. It teaches what God made on each of the six days of creation. Ask your teacher to help you memorize this song. Sing it to the tune of "The Twelve Days of Christmas."

On the ____ day of creation the Lord God did make the ...

first *heavens, earth, and light*

second *sky between the waters*

third *dry land, **seas**, and plants*

fourth *sun, the moon, and stars*

fifth *fish, sea creatures, and birds*

sixth *land animals and man*

On the seventh day of creation, the Lord God did rest, and all things made were very good.

On the first day of cre-a-tion the Lord God did

make the hea-vens, earth, and light.

God is so powerful that He made the universe—the heavens and the earth—in only six days! He did not need years and years to create everything because God is very wise and strong.

When God finished His work, the Bible says that everything He made was *very good* (Genesis 1:31). The great Creator God was happy that He made a wonderful world.

As God's creatures, we must be sure to worship Him as the great Creator. Thank God that He made the heavens, the earth, and everything in it.
