

Smarty Pants Puzzles®

Write whether each sentence is TTrue, UUnknown, or FFalse (not true). Then explain your answer. Assume both Brad and Polly are telling the truth about their lemonade.

- _____ 1. Brad's lemonade is not fresh.

- _____ 2. Polly will sell you more than one glass of lemonade for less than a dollar.

- _____ 3. Polly's lemonade is cheaper than Brad's (per ounce).

- _____ 4. Two glasses of Brad's lemonade cost over a dollar.

- _____ 5. Polly's lemonade costs less than fifty cents a glass.

- _____ 6. Brad only uses real lemons to make his lemonade.
