Subject: Soccer

Dear Beth,

Soccer is a very fun sport and is a very hard game to play. It is hard to not touch the ball with your hands. In soccer, a player is only allowed to score by kicking or heading the ball into the net. Each team has eleven players.

I enjoy learning about the history of soccer. Did you know that it is the most popular and **familiar** sport in the country of Brazil? Some people play soccer as their **job**! Pelé is one of the most famous soccer players in the world and is from Brazil. I am **certain** that he is the best player.

In 1958, Pelé joined the Brazilian national soccer team and appeared in his first World Cup. The World Cup is soccer's major international competition. Pelé led the Brazilian team to three World Cup victories. The World Cup competition seems scary to me. It is hard to **understand** the amount of work necessary to get to the World Cup.

Talk to you soon,
Anna
