

# Elementary

## Scope & Sequence

# Preschool & Elementary Features

## Curriculum Distinctives

- Places a strong emphasis on character development
- Focuses on life changes, not just head knowledge
- Recognizes the various levels of thinking skills
- Surveys all major sections of Scripture
- Includes a parent-assisted Scripture memory program

## Curriculum Objectives

- Children will learn that they can find the answers to life's problems in the Word of God.
- Thinking skills are used to focus attention on knowledge, comprehension, discernment, application, analysis, and evaluation.
- An understanding of biblical vocabulary is built through the introduction, definition, and use of key biblical terms.
- An understanding of the land of Israel is gained through map work and related skills.
- All lessons ultimately focus on the development of internal character.

## Teacher's Manuals

- 35 lessons—one per week (40 lessons in Preschool)
- Plans for 3, 4, and 5-day Bible class schedules
- Target truths (objectives)
- Teaching strategy section
- Life principles and character trait activities
- Practical applications
- Interesting stories
- Ideas for puzzles, skits, artwork, and discussion
- 190–270 pages of material
- Student's manual answer key pages

## Quizzes

- Weekly quizzes; one per lesson (Grades 2–6)
- Printed on separate pages for ease in copying
- Answer key provided

## Student's Manuals

- Vocabulary sections (Grades 3–6)
- Words for songs included (Grades 2–6)
- Feature puzzles, artwork, and maps
- Life application sections
- 90–180 pages of material

## Music Curriculum

- Introduces a hymn each month from Al Smith's *Treasury of Hymn Histories* (Grades K–6)
- Introduces as many as three choruses per month
- CD's of hymns and choruses available for classroom use

*Please note: Words to the hymns and choruses are included in the student's manuals (Grades 2–6) and teacher's manuals (Grades 1–6). We recommend that each elementary teacher have a copy of the CD for classroom use.*

## Scripture Memory Program

- Program is built on a three-year cycle so that verses are memorized at least twice during the elementary years. (Grades 1–6)
- Children quote Scripture to their parents in order to involve the home in the spiritual training of the child.
- Families concentrate on one set of verses per week.
- Students memorize passages of Scripture in context rather than isolated verses taken out of context.
- Scripture selections are easily related to the everyday lives of the students.

# Exploring God's Love (K–4)

## SCOPE & SEQUENCE

| Lesson | Bible Topic/Text                                                            | Developmental Activities                                                                                                                                                                                                          | Target Truths                                                                                                                                                                                                     | Scripture Memory                      |
