

KEVA MAKER BOT MAZE

Calling all creative thinkers and curious minds— it's time to tinker! The KEVA Maker Bot Maze lets you experiment, innovate and create with precision-engineered KEVA planks and a variety of doodads and gizmos.

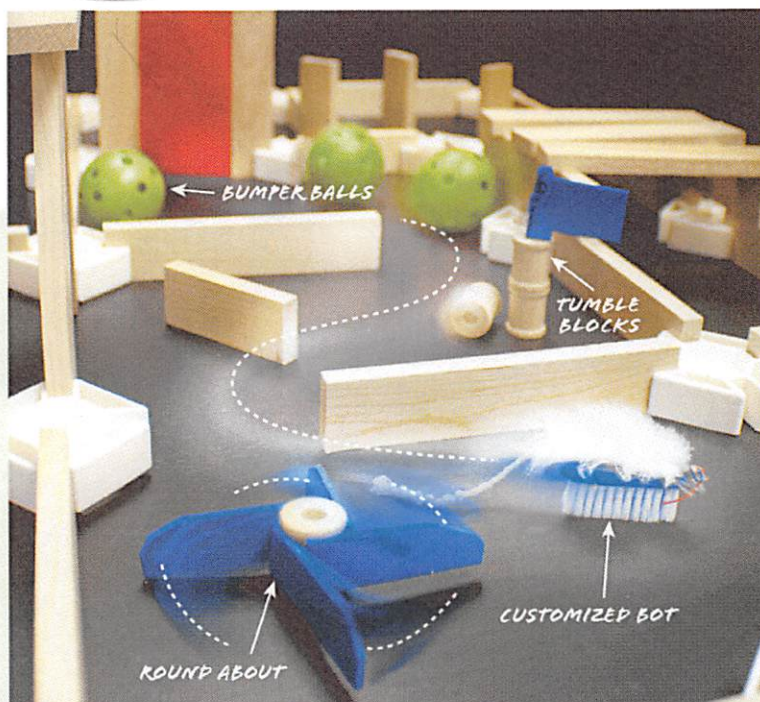

First, design your own motorized bots using the feathers, pom-poms, pipe cleaners, googly eyes and more included in the kit.

Second, make the maze with KEVA planks and the specially designed KEVA connectors. Create tunnels, doorways and passages by stacking and balancing the precise planks.

Third, create obstacles for you bots to navigate with the supplies included or by hacking things you have around the house. Creativity is the key to becoming a master maker!
