

Week 14

Frog and Toad Are Friends

by
Arnold Lobel

Monday

A **character** is a person or animal in a story. Some characters you've read about this year are Harold, Peter, Momo, Joseph, and Doctor De Soto. The two important characters in this book are Frog and Toad.

Tell two ways that Frog and Toad are the same and two ways that they are different.

Two ways Frog and Toad are the same:

Example: Frog and Toad like to do things together.

1.

2.

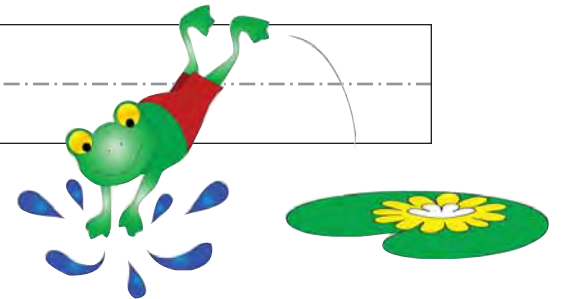

Monday cont.

Two ways Frog and Toad are different:

Example: Frog does not wear a bathing suit, but Toad does.

1.

2.

Tuesday

Pick any two other characters (not Frog or Toad) you have read about this year. Write two ways they are the same and two ways they are different.

Two ways the two characters you picked are the same are:

Example: Two ways Harold and Peter are the same:

1. They are both boys. 2. They both do fun things one day.

1.

2.

Tuesday cont.

Two ways the two characters you picked are different are:

Example:

1. Peter's adventures are real. Harold's adventures are pretend.
2. Peter goes out with a friend. Harold does not play with a friend.

Thursday

Now that you know something about Frog and Toad, think of something else they might do together. Write one sentence that is a summary of another Frog and Toad story you might write.

Example: Toad is sad that winter is coming,
so Frog cheers him up by surprising him with a picnic.
