CHAPTER 21 LESSON 1

PLANNING BOX FOR LESSON 1			
LESSON PLANS:	Jingles: No jingles. Grammar: Introduce Mixed Patterns 1-5. Classify Introductory Sentences. Oral Skill Builder Check: Do an oral check of a given set of skill builders. Skills: Introduce how to identify and categorize kinds of pronouns. Give Skill Test. Writing: Give Writing Assignment # 33 Part 1: Independent Research Report. (Students will choose a topic from a selected list. Teacher must approve chosen topic.)		
OBJECTIVES:	 Students will label each word in a set of Introductory Sentences to review skills in Patterns 1-5. Students will review a given set of skills in an Oral Skill Builder Check. Students will identify and categorize demonstrative, indefinite, and interrogative pronouns. Students will identify and categorize the person and case of personal pronouns. Students will do the first step in their independent writing assignment: choose a topic, narrow the topic, and have the teacher approve the narrowed topic. 		
PREPARATION:	Use student pages 190-192 and Skill Test on student book page 193 or student test workbook page 52. Put the Introductory Sentences on the board or overhead (located in teaching steps). Know the Question and Answer Flow for the Introductory Sentences. Schedule library time for Lesson 2. Read all teaching steps before presenting Lesson 1.		

STEP 1: Have the Introductory Sentences below on the board or overhead to classify with your students. Tell students that the sentences they classify with you today will be a mixture of Patterns 1-5. As you classify these mixed pattern sentences with your class, have them look carefully at the main parts so they can identify the correct pattern for each sentence. Again, for the greatest benefit, students must participate orally with the teacher.

STEP 3: Have students turn to page 190 in their student books. Read and discuss the information on identifying and categorizing kinds of pronouns. Tell students that they will use the pronoun charts to do the guided practice with you on the next page. (*This information is reproduced for you in the order that you will need it on the next two pages.*)

Identify and Categorize Kinds of Pronouns

You have already studied several kinds of pronouns. In this chapter, you will identify the pronouns you have studied and then categorize them according to name, singular or plural, case (subjective, possessive, or objective), and person (first, second, or third person).

Study the charts below on identifying and categorizing pronouns. Then use the chart as you work through the practice exercises.
