# **GOD'S WAY IS PERFECT**

**As for God, his way is perfect: the word of the LORD is tried:  
he is a buckler to all those that trust in him.**

**—Psalm 18:30**

**Have you ever made cookies or a cake? If so, you know that you did not just throw anything into a bowl and stir it up. You put in just the right things at the right time. Cookies and cakes have to be made according to a plan.**

**The Bible tells of God's plan. He made the world; He planned for Jesus to be born, die, and rise again. He planned for Jesus to go back to heaven and prepare a place for us, and He plans for Jesus to come back again. Meanwhile, we have His Word to give us knowledge and understanding and to help us make wise choices.**

**During this year you have learned many things about God and His Word. We hope you have learned that God's way is the best way. God has a wonderful plan for your life. His way is perfect.**

**This LIFEPAK® is a review of what you have been learning in Bible this year.**

## Objectives

**Read these objectives.** The objectives tell you what you will be able to do when you have successfully completed this LIFEPAK. Each section will list according to the numbers below what objectives will be met in that section. When you have finished this LIFEPAK, you should be able to:

1. Name the best way to receive God's knowledge.
2. Explain when and where to read the Bible.
3. Tell how and why we should memorize Scripture.
4. Tell how the Bible is superior to science.
5. Tell how geography affects people.
6. Explain how a person is born again into God's family.
7. Tell how God uses men to carry out His plans.
8. Identify God as the one who helps and protects us.
9. Explain why we should witness.
10. Describe Jesus' example of love.

# 1. LEARNING GOD'S WAY

We can learn many things about God by just looking around us at His creation. The universe, the earth, and even our bodies tell us how wonderful and powerful He is.

However, the best place to learn about God is to read His Word. God wants us to know so many things. He shares His **knowledge** with us in His Word, the Bible.

In this section we will review how we can learn the things God wants us to know.

## Objectives

**Review these objectives.** When you have completed this section, you should be able to:

1. Name the best way to receive God's knowledge.
2. Explain when and where to read the Bible.
3. Tell how and why we should memorize Scripture.
4. Tell how the Bible is superior to science.
5. Tell how geography affects people.

## Vocabulary

**Study these new words.** Learning the meanings of these words is a good study habit and will improve your understanding of this LIFEPAK.

**Canaan** (kā' nun). The land of promise.

**knowledge** (nol' ij). What a person knows.

**physical** (fiz' u kul). Of the body.

**principle** (prin' su pul). A basic truth.

**promise** (prom' is). Words that say a person will do something.

**spiritual** (spir' u chū ul). Having to do with the spirit.

**timeless** (tīm' lis). Never ending.

**Note:** All vocabulary words in this LIFEPAK appear in **boldface** print the first time they are used. If you are unsure of the meaning when you are reading, study the definitions given.

**Pronunciation Key:** hat, āge, cāre, fār; let, ēqual, tèrm; it, īce; hot, ōpen, ôrder; oil; out; cup, pūt, rüle; child; long; thin; /TH/ for then; /zh/ for measure; /u/ or /ə/ represents /a/ in about, /e/ in taken, /i/ in pencil, /o/ in lemon, and /u/ in circus.

## Seeking Knowledge

**Read Psalm 119:105  
and John 1:18.**

How much do you know? You probably know more than you think you know. However, you still do not know nearly as much as God. God knows everything. All **knowledge** comes from Him.

God's knowledge is different from the knowledge of people. God's knowledge covers all situations and peoples. God always knows what is best. How can we learn of God's knowledge?

**Where to find it.** We can find out some things about God's knowledge just by looking at the things He made. He had to know very much to create the world and people. However, just looking at these things will not help us find out all that God wants us to know. God gave us the Bible so that we may learn of His knowledge.

One way God shared His knowledge was through His Son, Jesus. Jesus is the greatest teacher who ever lived. Learning from Jesus is learning from God, because Jesus is God. When you want to know what God thinks, read the words of Jesus in the Gospels.

**Read these Bible verses.**

- 1.1** The statement, *Jesus is God*, can be proved by reading John 14:9b and 10. Copy the verses on the lines exactly as they are written in the Bible.

**Do these puzzles.**

- 1.2** Who was this man? Unscramble the letters and write his name on the line.

His name was \_\_\_\_\_

**1.3** Color the dotted sections in the box to find out who he was.

He was a \_\_\_\_\_.

King Solomon was given wisdom by God. First Kings 4:29 and 31 say, "And God gave Solomon wisdom and understanding exceeding much. ...For he was wiser than all men... and his fame was in all nations..."

Solomon wrote much of His wisdom and knowledge in the book of Proverbs. Proverbs are **principles**, or basic truths, God wants us to obey.

The **timeless** principles in the book of Proverbs are as important today as they were in the day God gave them to Solomon. Learning the Proverbs will help us gain knowledge and wisdom. Obeying God's proverbs will make us wise and happy. Take time to reread some of the Proverbs.

**Read these Proverbs (15:1, 3:5, 18:15, 28:27, 2:6, 22:29, and 13:18).**

Circle the letter of the things you will do if you are wise. Write the Proverb reference on the line.

**1.4** If you are wise you will

 b. \_\_\_\_\_ because he was  
 c. \_\_\_\_\_ God's ways.
- 1.6** If we obey the Proverbs, we can live \_\_\_\_\_ lives.
- 1.7** The principles taught in Proverbs are \_\_\_\_\_ .

**How to apply it.** Learning God's knowledge helps us in many ways. When we learn that God knows everything, we feel safe. God knows us so well that we can turn to Him for help.

God always knows what we are doing and what we are thinking. God knows how much we love Him. God knows us better than we know ourselves.

The Bible says (Proverbs 3:5), "Trust in the Lord with all thine heart; and lean not unto thine own understanding." We can ask God to give us His knowledge. The Holy Spirit will help us have understanding. When we pray, we should pause and think about God's Word. In this way we allow the things God is telling us in His Word to fill our minds and change us. God is pleased and blesses us when we seek His knowledge. We can have the knowledge of God. We can be wise if we will seek Him (Proverbs 2:1 through 9).

**Read these Bible verses and answer the questions *yes* or *no*.**

# Studying The Bible

**Read 2 Timothy 2:15 and 3:16.**

Studying the Bible means reading it and learning what God wants us to know. As we are learning, we will be thinking about God. Success in the Christian life depends on how much of the Bible we get into our minds and attitudes and how well we obey it.

The Bible is no ordinary book. The Bible is life changing. Everything we need to know about God is found in the Bible. Everything we need to know about being a Christian and living a Christian life is found in the Bible.

Daily Bible Reading

**Start by reading.** Daily Bible reading is to our **spiritual** life what daily eating is to our **physical** life.

Most people find morning to be the best time to read the Bible. We must find a quiet place we can be alone. It is best to sit up at a desk or table to read.

We should begin our Bible study with prayer, asking God to help us learn something from Him.

**Write the letter of the correct answer on the line.**

- 1.13** Everything we need to know about God is found \_\_\_\_\_ .  
a. in the Bible                                      b. in our minds
- 1.14** Daily Bible reading helps our \_\_\_\_\_ .  
a. spiritual life                                      b. physical life
- 1.15** When we read our Bible, it is best to \_\_\_\_\_ .  
a. lie down    b. sit up

- 1.16** God used \_\_\_\_\_ to write the book of Proverbs.  
a. David    b. Solomon
- 1.17** The book of Proverbs contains many \_\_\_\_\_.  
a. wise sayings    b. stories
- 1.18** Solomon was very \_\_\_\_\_.  
a. wise    b. lazy
- 1.19** When you want to know what God thinks, \_\_\_\_\_.  
a. ask Him for a dream                                b. read the Bible
- 1.20** God is happy when we \_\_\_\_\_.  
a. seek His knowledge                                 b. do things our way

Three things you should look for, if you expect to learn from the Bible, are **promises**, commands, and principles.

Often when a promise is given, God asks us to obey Him first. When we read a promise, we must ask ourselves, "Do I have to do something before God will do something?" Then read before and after the promise to see what you must do. In 2 Chronicles 7:14 God promises to forgive sin and heal the land. However, that same verse says that His people have to humble themselves, pray, seek His face, and turn from their wicked ways first. God will do as He promised if we will do what He asks.

The Bible has many commands for God's people to obey. Commands tell us what to do or not to do. Bible commands are for our good. If we obey them, our lives will be happier and successful.

The Bible has timeless principles. Principles are ideas from God that help us. If these ideas get into our minds, we will make wise choices.

**Work on memorizing.** Memorizing Scripture will help us grow. Memorizing the Bible will take some work, but it will help us grow into strong Christians.

Knowing Scripture helps us not to sin. It also helps us not to be afraid. Knowing God's Word helps us to be more like Jesus and gives us understanding of what we believe.

When we know God's Word, we can share our love for God with others by telling them what the Bible says. These words remind us how to memorize Scripture:

## Examining Science

**Read Colossians 1:12–17 and Jeremiah 32:17.**

The Bible is not a science book, but when the Bible talks about things of science, it has been proved to be correct. Not once has the Bible been found to be wrong.

The Bible tells us about the universe, our earth, and our bodies. Science also has much to say about these things.

**The universe.** How did our universe begin? This question has been asked by many people. Scientists have tried hard to explain the key of the universe. Some people think the universe just happened because they do not believe the Bible. Science has many theories. Do you remember some of them?

The Bible tells us very simply that God made the universe and is looking over it right now. Read Isaiah 45:12.

| The Universe

**Answer this question.**

**1.40** Does science know how many stars are in the sky? \_\_\_\_\_

**Write true or false.**

**1.41** \_\_\_\_\_ The Bible is a science book.

**1.42** \_\_\_\_\_ Sometimes the Bible is wrong.

**1.43** \_\_\_\_\_ Many men think the universe just happened.

**1.44** \_\_\_\_\_ The Bible tells us that God made the universe.

**The earth.** God used His knowledge to create the earth. He carefully planned it. The earth did not just happen. He spoke and His words created it.

Yet, many scientists say they do not know how the earth got here. They say God did not make it. It must have just happened.

Many scientists think that millions of years ago a tiny thing, too small to see, suddenly became alive and began to grow. It was not God who made it come alive they say, because to them there is no God. Although they are wise in some ways, these scientists are very foolish when it comes to believing what God says.

The Bible has much information about our earth. You probably remember many of these things from Bible LIFEPAcs 402 and 406. These things were recorded long before scientists even began to study the earth. How did the Bible writers know so much? God told them what to write.

| Planet Earth seen from space.

**1.45** Number the sentences in the order they happened according to the Bible.

**Read Genesis 1:1–2:3.**

- a. \_\_\_\_\_ God created man in His own image.
- b. \_\_\_\_\_ God created day and night.
- c. \_\_\_\_\_ God gathered the waters together to make dry land. God made plant life.
- d. \_\_\_\_\_ God rested from His work.
- e. \_\_\_\_\_ God made the sun, moon, and the stars.
- f. \_\_\_\_\_ God made the firmament.
- g. \_\_\_\_\_ God made the birds and animals.

**Our bodies.** Scientists have learned much about the human body. They have even tried to make a human body, but failed. They have been able to make some body parts, but they are only copies of the ones God has made.

The greatest wonder of all creation is the human body. God planned it carefully. He made each person in a special way and each person is different. Your body is proof that God lives.

Why did God make us? God made us to glorify Him and to enjoy Him. God wants us to thank Him for being so good to us. He wants us to worship Him by loving Him in return for what He has done for us.

A very smart man, named Aquinas, lived hundreds of years ago. He often thought about God. Thomas Aquinas wrote laws to tell that God exists.

- 1.47** "Know ye that the a. \_\_\_\_\_ he is b. \_\_\_\_\_: it is he that hath c. \_\_\_\_\_ us and not we ourselves; we are his d. \_\_\_\_\_, and the e. \_\_\_\_\_ of his pasture." (Psalm 100:3)

## Understanding Geography

**Read Psalm 90.**

This year you learned about the geography of the lands that are part of Bible events. Studying Bible geography is important because it helps us understand the way the people of Bible lands lived. The land of the Bible was, and still is, important.

In Bible times this land was called **Canaan**. Today we refer to this area as the Holy Land. God chose Canaan to play an important part in world history.

**Why study Bible lands?** Geography is the study of land and what is on it. The reason we studied Bible geography this year was to understand Bible-land customs and to learn the setting for the events written about in the Bible. Customs are the ways people do things. A setting is where an event takes place.

The land, climate, and water all help to decide how people will live. God is in control of these things. The kind of weather and land He gave His people were all part of His purpose. God has a purpose in putting you where you are, too.

**Complete these statements.**

- 1.58** Two reasons we studied Bible geography this year are  
 a. \_\_\_\_\_ and  
 b. \_\_\_\_\_.
- 1.59** A word that means *ways people do things* is \_\_\_\_\_.
- 1.60** A word that means *where an event takes place* is \_\_\_\_\_.

**What the Bible lands were like.** Most of the events of the Bible took place in what we call the Holy Land. This land was called Canaan in Bible times.

From north to south, it is only about 150 miles (240 kilometers). From east to west, Canaan is only about 100 miles (160 kilometers) at its widest point. Canaan is only a little larger than the state of New Jersey in the United States.

| The Euphrates River

As you read the Bible, you will notice that rivers are often mentioned. Because this land is mainly desert, rivers are important for farming. The three main rivers are the Tigris, the Euphrates, and the Jordan.

The area around the rivers is the shape of a crescent, or new moon. The soil around the rivers is richer and more fertile than in other areas. This area, called the Fertile Crescent, is where farming is done.

Much of Canaan is rocky and hilly. Stones are plentiful, so many houses are built with stones. The Holy Land has tall mountains and areas below sea level, fertile farmland and waterless deserts, and windy, cold areas and hot, dry places. The Holy Land has many different climates.

Many people crossed this area as they traveled. The lands of Bible times were important centers of trade and business.
