WRITING WORDS

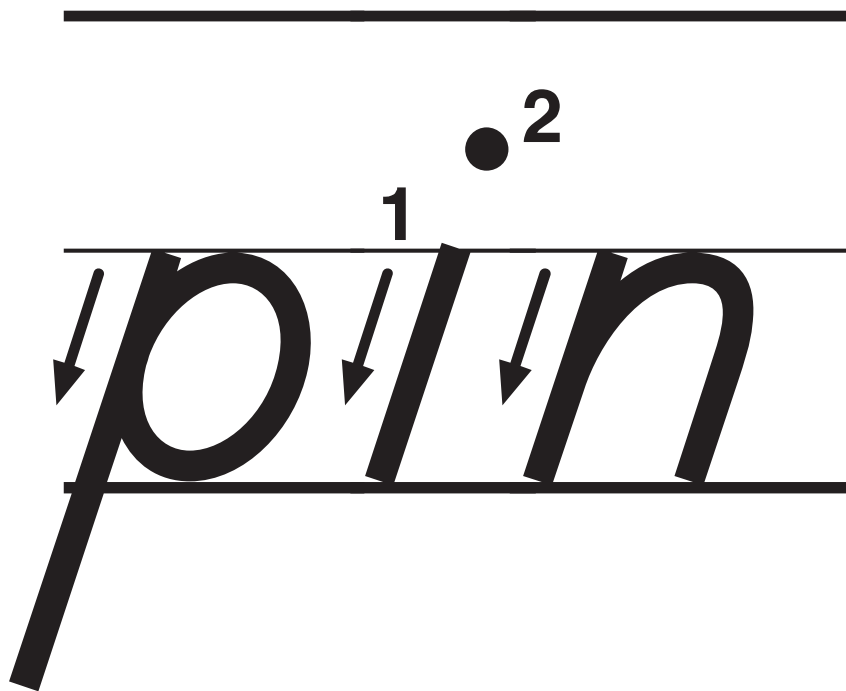

Letters within words should be written close together and evenly spaced. Between words leave a finger width of space. Read each word, then practice writing it. Use your pointer finger on the large words. Use a pencil to write the words on the following pages. Try to write each word with smooth, rhythmic motions.

run

A handwriting practice box for the word "run" in cursive script. The word is written between two horizontal lines. The letter 'r' has a downward arrow on its stem and a curved arrow showing the path of the bowl. The letter 'u' has a downward arrow on its stem and a curved arrow showing the path of the bowl. The letter 'n' has a downward arrow on its stem and a curved arrow showing the path of the bowl. A solid horizontal line is positioned above the top line.

pin

A handwriting practice box for the word "pin" in cursive script. The word is written between two horizontal lines. The letter 'p' has a downward arrow on its stem and a curved arrow showing the path of the bowl. The letter 'i' has a downward arrow on its stem and a dot above it labeled '2'. The letter 'n' has a downward arrow on its stem and a curved arrow showing the path of the bowl. A solid horizontal line is positioned above the top line. The number '1' is placed above the stem of the 'i'.

A diagram showing the uppercase letter 'C' on a set of three horizontal handwriting lines: a top line, a middle baseline, and a bottom line. The letter 'C' is positioned between the top and baseline, starting just below the top line and ending just above the baseline.

Start just below the top line. ① **Roll** around to just above the baseline.

A diagram showing the uppercase letter 'G' on a set of three horizontal handwriting lines: a top line, a middle baseline, and a bottom line. The letter 'G' is positioned between the top and baseline, starting just below the top line. It features a circular shape that goes past the baseline to the middle line, and a short horizontal line at the bottom.

Start just below the top line. ① **Roll** around past the baseline to the midline,
② **draw** a line straight into the circle.
