Step 1 – Pull Battery Tab

Pull the tab from between the batteries to activate product.

Step 2 – Install Battery Pack

Using the included silicon strap, you can install the battery pack in 2 places:

Around the wheel hub **OR** Between 2 cross sections of spokes.

OR

Any excess strap can be cut off if needed.

Step 3 – Install Light Tubes

Each tube has a small hook on each end to snap the tubes into place on the spokes. Select the spoke you'd like to install the tube on and press the hook onto the spoke.

Press spoke
into here

Step 4 – Turn on Lights

SpinBrightz™ have 3 light settings: Fast flashing, slow flashing, and constant.

Press down on the dome part of the battery pack once for fast flashing, twice for slow flashing, and three times for constant.

IMPORTANT BATTERY INFORMATION: SpinBrightz™ includes 2 CR 2032 batteries.

 **CHOKING HAZARD!** – Small parts. Not for children 3 years of age or under.

 **WARNING!** This product contains button or coin cell batteries. A swallowed button or coin cell battery can cause internal chemical burns in as little as 2 hours and can be fatal. Properly dispose of used batteries according to local regulations. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.

Do not mix old and new batteries and do not mix alkaline, standard (carbon-zinc) or rechargeable (nicad, ni-mh, etc.) batteries.

 **CAUTION!** Batteries may explode or leak, and cause burn injury if recharged, disposed of in fire, mixed with a different battery type, or inserted backwards. Replace all used batteries at the same time. Clean battery contacts and contacts on the device prior to installing. Remove batteries if item will not be used for long periods of time. When battery expires remove promptly.

- 
- Do not operate the product while the bike is being pedaled or any part of the bicycle is in motion.
 - Do not mount SpinBrightz™ on any moving part of the bicycle (e.g., gears, pedals, chain, brakes).
 - This product is designed for use on bicycles only. Improper installation of product will interfere with bicycle operation.
