

# Bible 1: Truths for Life

COMPARISON CHART

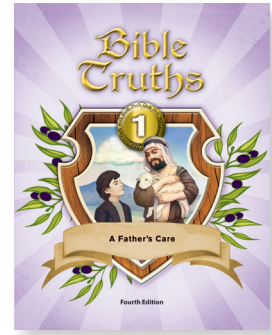

NEW

## Updates

This edition is a continuation of the new BJU Press Bible line and is a completely new product. It has a new scope and sequence and it integrates a new teaching cycle in the teacher edition. The page count has been expanded from 240 pages in Bible Truths 1 to 318 pages. Parts and pieces of this edition will not be compatible with the Bible Truths 1 (4th edition) materials.

1st Edition

4th Edition

## Scope & Sequence

- 43 questions designed to introduce students to major doctrines
  - ▶ Doctrine of God
  - ▶ Doctrine of God's works
  - ▶ Doctrine of the Fall
  - ▶ Doctrine of Christ
  - ▶ Doctrine of salvation
  - ▶ Doctrine of sanctification, or Christian living
  - ▶ Doctrine of last things
- Instruction for making Bible truths a part of students' lives
- Instruction for understanding God's creation biblically
- Explanations of how unbiblical worldviews are not true

## Textbook Snapshot

## Core Objectives

- Relate biblical narratives to the Bible truths.
- Explain the main ideas of the Bible truths.
- Defend the Bible truths with biblical texts.
- Formulate a biblical worldview using the Bible truths.
- Apply the Bible truths to their world.
- Recite the Bible truths.

## Special Features

- A teaching cycle that follows four steps (engage, instruct, apply, assess) has been incorporated into the teacher edition.
- 7 memory verses support doctrinal themes.
- 43 songs support each Bible truth.
- Illustrated Bible accounts from both the Old and New Testaments support each truth.
