## What is an elective?

An elective is an academic course that is not in a required subject area. You can choose electives in your student's area of interest.

## What elective requirements apply to you?

- ◆ Refer to [HSLDA.org](http://HSLDA.org) for current and accurate information concerning state-specific requirements.
- ◆ Some universities have elective requirements too. Do you know them?
- ◆ Planning on 1-3 electives per year is common.
