This chart was assembled by Rainbow Resource Curriculum Consultants and is intended to be a comparative tool based on our own understanding of these programs and is not necessarily reflective of publishers' opinions. Some designations are "best fit," not absolute.

🌐 Online (streaming/download content at times may only be available from the publisher.)

A *worktext* is for the student only, with readings, and includes consumable exercises.

Pronunciation of Latin is either **Ecclesiastical** (Italianate) or **Reformed Classical**. A general thought is to learn Ecclesiastical initially, because it a bit easier, and switch to Classical in the upper levels (high school and college).
